D. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

I had not been totally aware of the overall purpose of this group, therefore, I did find it enlightening. Would hope that more info could be forthcoming on how effective this group really will be in the days ahead.

E. We welcome your suggestions for improving this course:

Having never taken any other courses in the Agency, I cannot make a comparison as to what improvements should be made. However, I believe that perhaps more time should be allotted to OMS and the DDA/DDO support people. It has been a most informative course & a great chance to meet people in an informal atmosphere.
